

**Ministers Prophecy**  
**Kenneth Copeland**  
**Legacy Summit**  
**10 / 23 / 15**

“The ministries in this room are precious to me,” saith the Lord.

“I have set aside and established for you, in the glory, all that it will ever take spiritually, mentally, physically, financially, [and] wisdom, insight, knowledge, equipment, or anything else of the world order to completely finish your course.

“Take time. Spend time with me,” saith the Lord.  
“Nothing hidden, but what will be revealed.”

“But it’s the quiet moments. It’s in those times together, that your faith begins to rise to a new level, and as the tide of faith and hope expectancy begin to rise, and rise, and rise, doubt begins to be flushed out, and my love for you begins to come through to the point where fear bows its knee. And the enemy of your soul wants no more part of you. He becomes afraid of your faith words, because they dominate his affairs, and cause him to lose ground that he can’t afford to lose. “These are those days!” saith the Lord.

“I am here. I am working with you. But not only that, I am working in you, and together we will bring the word of faith, the word of righteousness, and the powerful outpourings of signs, wonders, miracles, and the healings of even the maimed in these days and hours, will be released in your very presence. For you will know me more intimately than you know any other person, and we’ll walk together in this. And where you’ve been crawling, you’re gonna walk. And where you’ve been walking, you’re gonna run. And where you’ve been running, you’re gonna fly!

“So give praise and honor, and call forth those things that be not as though they were! And stand on My word, and having done all to stand, stand therefore, knowing that there’s nothing in this world order that faith won’t overcome. So rejoice and be glad for the time is now!”

Saith the Lord of grace, the Lord of hosts, and the Lord of your ministry.

**Jeremy Pearsons 10/15**

There’s a new place coming. That will be the next step in this. A bigger, better place where you can reach this community and this city. People from all over the place...north, south, east, and west will come in and call it home. God can use people who believes all things are possible and you are that people. Look for the vision in everything you do. Provision for the vision.

**Sarah Pearsons 10/15**

Psalm 23/ Habakkuk 2

Shortage is not a money problem. It’s a soul problem. Without vision the people perish away. You are coming out of a season that you’ve been in and your soul has been heavy or weary and your vision has been dumbed down and belittled. The Lord is walking before you and leading you into a wide open green pasture that there is plenty of food, plenty of grass to eat. Plenty of

peace. You're coming into a season of rest and peace. And in that place He is able to restore your soul. In that place we are able to see. See way out beyond where we are in this spot. Lift up your eyes!! Write the vision and make it plain. Everyone in staff and leadership write the vision and make it plain. Put it all over this place. You don't see it in your eyes you see it in the eyes of faith. Put up those scriptures. Every picture that looks like it. As you do this God is going to lead you into a green open pasture. I keep seeing it as an actual piece of land. I know it. You want the land right on time. God's perfect timing. You don't want it ahead of time. You don't want it behind. Right on time. Though you wait for it don't be concerned. It will come right on time. That land, the green pasture and wide open field is going to come right on time. You may think we've just done all of this to our building...what are you talking about land and a new place? The truth is you have to see it long before. Plant the seeds. It's working and growing and developing. Then all of these years of seeing it, believing, and then you'll be together and see the goodness of the Lord. This morning I saw this green pasture and the land.

### **Given to Jerry Savelle from October 2-4 for the body of Christ, 2015**

"Extraordinary things are taking place in the heavenlies and 2016 will come to be known as THE YEAR OF THE GREAT BREAKING LOOSE.

More and more notable miracles will break loose in the earth

More and more signs and wonders

More and more angelic visitations

More and more instant healings

More and more deliverances from demonic activity

And more and more finances will break loose so My people can do more for the Kingdom, saith the Lord.

And during this time of THE GREAT BREAKING LOOSE, the enemy will no longer be able to hold back that which My faithful ones have stood in faith for, not even the things that looked as though they would never come to pass

For I will cause them to break loose and to SUDDENLY manifest and to do so in such a way that no one will be able to deny the greatness of your God

Yes, 2016 will be a year in which the FAITHFUL shall be rewarded beyond their highest expectations and they shall abound in My blessings as never before"

**Word from Marty Blackwelder to Pastors and BC – 11/13/11**

It is a new day. It's a new time. It's a new season for you. And I see an open door, and you're going through. And through that door is blessing and favor and peace, and a supply of the spirit to you and upon you, and your influence shall increase. And the church shall prosper and its influence expand. And the work of God within this house shall be spoken of throughout the land, and many shall be touched by God's goodness, His love, His grace. And the hand of the Lord shall rest mightily upon this people and this place.

(To those serving in the church) I have assembled you in this season, and I have set each one of you in your designated place. And I have anointed you by my spirit, and I have endowed you with my grace to walk with and beside these pastors to uphold them in their place. And so, side by side, hand in hand, diligently run this race. And the plan of God will be consummated, and His purpose will be fulfilled, and your hearts will be glad. And great fruit will abound as you accomplish His will.

### **Watch Me Work!**

**Prophecy delivered by Kenneth Copeland  
on November 10, 2011  
Washington, DC Victory Campaign**

"You wait and see what the next 14 months, 15 months, 16 months, 17 months, 18 months bring to those who insist on living and walking by faith. You just watch and see," saith the Lord. "You want to see what I can do in this earth? You want to see what I can do when the rest of the world is flat of its face, not to praise Me, but have their face pushed in the mud by the devil? You want to see what the power of the Resurrection is like? Then you begin to praise Me and you begin to worship Me every day and you put My Word first place in your life and you get up every morning and shout, 'Everything is going to be all right!' You enter into My rest," saith the Lord. "You enter into My way of doing things. You take your rest with Me and you put yourself, place yourself in the secret place of the Most High and watch Me work in your life. Watch Me work in the life of your children. Watch Me work in the life of your nation. Watch Me work in this world. You watch Me work for the next 18 months and you'll be glad you came," saith the Lord. "I'll do this thing. I'll do it. For you are the very center of My attention. In My eyes you are second to none. For you see, even in My own eyes you're not second to Jesus. You're joint heir with Him. I see you in Him, and I see Him in you. And our time has come and you just rest in Me and smile every morning and say, 'God loves me and everything is going to be all right. God loves me and everything is going to be all right. God loves me and everything is going to be all right.'"

### **What About 2012?**

**Prophecy delivered by Kenneth Copeland  
on November 10, 2011  
Washington, DC Victory Campaign**

"What about 2012? What does it hold? What's in store? What's in store for the nations? What's in store for Israel and what's in store for the Church? I have a great storehouse. Much more has

been stored up in the storehouse of riches beyond your wildest dream that I laid up for you before the foundation of the world. Much more is stored up there than what the Church has ever called for. I never have held back on the Church," saith The LORD and the God of plenty. "I've made it available to you. I put it in My WORD. I gave you a promise and stood behind it with the blood, precious blood of your Savior. But there has been a backwardness in My people about laying hold of the things that I have provided for you. But I will say this: There is a people in the land. There is a people around the world. There is a people strong and mighty, growing much stronger and much mightier and more bold to lay hold and put their claim of faith on the things that I have laid up for you and it thrills Me," saith The LORD, "because it's been yours all the time.

"Ah, but what about 2012? 2012 is a year full of surprises. Some surprises are going to shake people up. Some surprises are going to shake people down. But for those who are listening to My voice, those who have made themselves available to My Spirit and to My WORD, you'll have surprises. Oh, not like the world and not like a lot of carnal-minded Christians. Your surprises will come as suddenlies. Like in My WORD when it said, 'And suddenly there came upon them.' And you'll stand up with a big smile on your face and say 'I just got a suddenly, didn't I? Oh! Yes.' But it'll not take you by surprise because I said in My WORD I'd show you things to come. I said in My WORD what I speak the Holy Ghost will hear and He will speak it to you. And there are those of you who are seeking My voice and seeking My WORD and seeking My Name and looking at Me in My face while I'm looking at you in your face. And together we'll walk in this and together we'll walk through this and there'll come a time when you'll just smile at Me and I'll just smile at you and you'll say, 'Ha. Ha. Ha. I knew that all the time. Praise God. My Father showed me that was coming and I was all prepared and it didn't come on me as a suddenly. But this other surprise that came on me. Oh, what joy. Oh, what thrill. Oh, what goodness. I wonder what else my Father has in store for me. Hallelujah. Praise God.'

"2012? I'll tell you about 2012. It's going to be a year of great joy for those who know joy. It'll be a time of marvelous breakthroughs. This is a time of victory. It's a time when people begin to realize that My WORD is a living WORD, that My Spirit is the living Spirit, and that you are My voice in the earth. And your voice is the voice of victory. So rejoice and shout and understand that the breakthroughs that you've sought and watched over, prayed over, stood in faith for, ah, don't turn loose now. Don't turn loose now because they're at hand. They're right at hand. They're right on top of you right now. Praise God. Hey!

"Have no worry. Do not be in fear about the United States of America. Don't be in fear over the failure of this republic. This is not the time for this nation to fail. I'm not done with it yet. And it may come as a surprise to many; this nation is not done with Me yet," saith The LORD. Hallelujah.

"We have a job to do. And this year will be like none other where this nation is concerned. And many will say, 'Oh, woe is us! Oh, woe is us!' And you know what? Oh, woe will be them.

"And there are others who'll say, 'Oh, we can't win! We can't win!' And to them they can't win.

"Ah, but to those of them who say, 'Ha, ha, ha, ha, ha. This is a time of greatness! America again! Oh, and it's my nation and it's God's nation and we're right where we're supposed to be.

He has us right where He wants us, and our future is bright because God is still LORD over the United States of America.'

"So rejoice and give forth a glad sound because The LORD of glory is still on the throne and prayer changes things and together we're going on to greater victory.

"Oh yes! 2012 is a time of miracles. Miracles that seemed as if they would not come but they're here. There is an atmosphere conducive to miracles that's been growing and growing and will manifest greatly in the first quarter of 2012 and continue throughout the year and on into 2013. I've been looking forward to 2012," saith The LORD. "I know how it's going to turn out. I've already dealt with it in My WORD. Your future is looking better all the time. But of course you'll need to look at it through My eyes," saith the Spirit of grace. "So as I said before, rejoice, for your time has come."

I hear the Lord saying:

Press higher for places, not just natural places but press higher in the realm of the spirit for spiritual places. In gaining that ground of spiritual places then the natural just comes into line. And we will have that natural realm. So even step upon step upon step, increasing and increasing more and more and more until even that which the sole of your foot has tread upon you shall go in and possess. Step by step, going, moving degree by degree. Not looking at how far you've come but looking out there to the vision, to the promise that God has given and that God has foretold it to be. So continue on consistent, steadfast in that which the Lord would (tongues) which the Lord would give to you, which the Lord would open to you. And pray along the lines of the things that He opens to you for it is all a network, a network of a working.... Of a like umm... I see like a tapestry. Sometimes we work on one corner and sometimes we work on another corner until it makes this beautiful picture, all of us just working Lord. (Tongues) We are working and so we are working so that You can work. Hallelujah, hallelujah, praise God praise God. Hallelujah (tongues) So Lord we look for those new realms. We look to burst out into those places. (Tongues) And in gaining there, in gaining here, Father we gain new ground, natural ground. (Tongues) First it is gained out there in that realm, out there in the spiritual realm and then you just begin to walk out that which you have already gained in the spiritual.

And the work that you have handed off shall succeed and go forth and the Head of the Church shall see to it. For it's My church, and the gates of hell shall not prevail against it.

And I have enough in me right now to say this church is not raised up just for Alma. It's going to be one of those places that may be in a town of 5 or 6 thousand and people will say, how can they have a church that big in such a small place? It's because it's a pulling place. It's been placed here but it's pulling. It's pulling from the north, it's pulling from the south, it's pulling from the east, and it's pulling from the west. The boundaries. So strong. So strong. I tell you, get ready, get ready, get ready. This place is about to explode. It's about to explode. I know. I can feel it. I can feel it. It's about to explode. Don't shrink back from it. Embrace it with boldness and confidence. It's a good day and it's a day that the Lord has brought about. Hahahahahaha and we will rejoice and be glad about it.

(Rejoicing!!!) It's about to burst. Hallelujah. And I charge you, people of this church, those things – those evil things that tried to hold those gates shut – you enforce it at the leading of the Holy Spirit – those gates stay open! They are opened and no man can shut them. That's just the way it is. You know churches have territories. You just increased yours! And that's just the way it is.

**Prophecy through Denny Beavers**

"I had you guys on my heart and prayed for you this morning when the Holy Ghost came on me. I'm telling you I saw an explosion of growth taking place in your church!! This is bigger than you think!!! Get ready because you are going to see an explosion!!!"

Declaration over the Body of LWRV:

Father, in the Name of Jesus, I come into agreement right now with the pastors of this church, with Nate and Evan and their family and the believers that fill these chairs. I thank you, Lord, for every life represented in here, and by faith in You and faith in the Word, and faith in the Lord Jesus Christ, I declare over every one of them for them to be strong, be courageous, and be bold in the Lord Jesus Christ. I rebuke loneliness, I rebuke discouragement, I rebuke fear in Jesus' Name, and you get out of their lives, now and forever. And in Jesus' Name, you **be bold!** You **be bold** about your future! You **be bold** about your calling. You **be strong** about what the Lord has equipped you to do and don't you ever be afraid of it ever again for your entire life! You step up to your future not with uncertainty, but with absolute certainty in the Word of God that He will do for you what He said He would do! He is for you and not against you! He is with you always and you have a God who loves you! I declare that over you now, in Jesus' Name!

**Word of the Lord** : "Ask them on My behalf if they will do me a favor . . . . don't quit!"

Don't quit your marriage. There might be somebody in here tonight and you are right on the edge of that. Don't quit that. It's been tough, it's been hard, but don't you quit. Don't you quit. Endure. You hold on to the Love of God. You walk in the Love of God. You make His Love the boundaries in which you exist and refuse to yield to the flesh. Choose instead to yield to the Spirit of God in you and you will walk in love with him or with her. And you refuse to quit. Don't throw away your boldness; this thing is about to turn out right. Don't quit that job He assigned you to, don't quit that church He assigned you to, don't you quit.

**Word of the Lord – Sarah Pearsons**  
**Sunday, March 13, 2011 AM**

This place, this congregation is a place where songs are going to come from and I want to tell you guys this morning to open your eyes big, bigger, bigger, especially the worship team and set your sights way bigger, bigger, bigger. . . . . I don't know how to explain it all, but open your heart to see on down the road and to see what He has for you. And I don't know every way to do that, but I think a lot of that comes with getting vision for the future, getting pictures out of things you desire for your worship team, how many musicians you want. There is such a sweet anointing on you guys already and just to tap into what's coming way down the road, just to see it and to grab it and reach for it by faith, just to take it. The Lord has a view of you and a vision for your team, lots of people, lots of people, lots of songs, you know from this place there will be songs that will affect the whole world. I felt like that from the Lord and I saw that the last time we were here, and then He reminded me about it this time.

One thing I wanted to tell you is that the Lord is going to bring songs out of this place. People in the congregation, maybe not necessarily special singers, you may not even be a singer, but you may just be a musician. There will be songs that the Lord will give you for this congregation. There are specific songs for this congregation and there are specific songs that will come out of

this congregation for the rest of the world, and your job is to open your heart and just get those songs from Heaven, from the Lord. And what those songs will come out of, they don't just come out of you and for you, but they come out of you for others for other people. And they'll come with you being hooked to your pastors and the word that is coming forth from them and from the Spirit of God within this place. So you've got to latch on and hear what the Spirit of the Lord is speaking to this place and also what the Word of the Lord is speaking to the Body of Christ as a whole. And if you'll reach out and spend time with the Lord over that, praying in the Spirit, you'll interpret those songs out of the spirit and they will become songs for your congregation, and they will lift up your people that come here more than other songs from other churches will for your congregation.

So I just encourage you guys to close your eyes out here on the outside and open the eyes of your heart to see it because it's great, great and big, much bigger sanctuary than here, much bigger stage, this is a small platform compared to what the Lord is gonna do. Amen, Thank you Lord!!

### **Word of the Lord – Sarah Pearsons**

**3-13-11 PM**

You are very, very close to a breakthrough with me. You are very, very close, closer than you even know. To the next level in some things you can see and the next level in some things that you can't see. But by my Spirit tonight I'm giving you a clue that this next level is intimately and immediately tied to your worship. I'm pleased with your worship, but now I'm gonna ask you to learn to worship me. Now I'm gonna require of you a new level of worship, not because I need to hear myself worshiped, but because you need to hear yourself worship. When you say these things out loud says the Lord, you remind you of who I am. I know who I am, but you need to be reminded of who I am. You need to be reminded that I am your God – I am your God that doesn't fail you, I am your God that won't quit you, I am your God that will not leave you, I refuse to leave you. Didn't I say in my Word that nothing would separate you from my love? I have thrown my arms around you says the Lord and I refuse to let go, but you need to hear yourself say that. I'm leading you tonight and talking to you tonight about a new level of worship and a new kind of worship. You worship me corporately and it blesses me, but if you will spend time on an individual level worshiping me throughout the week and especially, especially on your way to these services. Take the time between your home and this church. Take the time between your house in your car and in this sanctuary and begin to create the atmosphere conducive for my spirit to move and to work and to demonstrate my love for you. Instead of just riding silently and especially instead of arguing about things that are so temporary and things that don't matter begin as a family. Husbands, lead your families in these things says the Lord and begin to worship me. Begin to lead – you and your wife lead your kids and teach them how to worship me. And the atmosphere, My presence that will fill your car, you mark my words "I will show myself and demonstrate myself even in your car on the way to church and that will be all over you and you will carry that into this sanctuary. And the moment you begin doing this, you will begin to see and understand things you've never seen or understood – things that were questions, things that you wondered about and didn't quite know how they were possible – the answers are in your times of worship" says the Lord.

## **Word through Kate McVeigh**

How many of you believe this church is really growing? There are some churches, and I believe that you're one of them, a word I heard recently from a great man of God, there are churches God is raising up that they're going to accomplish in 2 years what would normally take them twenty. Amen. And I believe we're seeing it. Amen. And how many of you believe this is going to be one of those places? Come on, we're taking it! Hallelujah! I can see myself coming back, man, you'll be in a bigger building, you'll be packed out, hallelujah, it'll be hard to get a seat in this place.

**Jerry Savelle - he said this is a word from God for the Body of Christ, for whoever can believe:**

I will do for you what you've tried to do yourself, but could not do. I will cause to come to pass those things which you've striven for and tried to accomplish in your own strength and in your own might, but just could not make them happen. I will bring them to pass for you.

**Extraordinary things will become the norm in your life.** Things that never happened to most people in a lifetime will happen to you in **one year's time**. It's time to expect the extraordinary!

## **Word for our Body - 2009**

"Oh the goodness that I have stored up for you. The good things I want to do for you right now. I plead with you to not frustrate my grace. Don't frustrate My goodness. My heart is so full of goodness I want to pour out into your lives. Don't frustrate my giving nature with such little believing, and with such low expectation. Get your eyes off of you. Get your eyes off of your circumstances, and look at Me! Look at Me! Look upon Me and you will see, and you will believe. And I will be able to pour such goodness out in your lives that people will be in awe! People will look at you and say - Look what the Lord has done - because it will be obvious that is was by My hand! And people will be drawn to Me, and they too will taste and see that I am good!

The devil's a liar you know...

It's a good thing going on around here. God is in the House. The blessing of God is upon this people and in this place. All that had been spoken – the desire and the plan of God will be consummated and fulfilled. Every person doing their part, every person in their place, finishing their course and running their race. And the light this place will be, men will look and they will see that the blessing of the Lord is upon thee. They shall come from the north, south, east and west because they'll know this is the place where they can be blessed! By the Word and the Spirit too, flowing mightily within and through you. A place of refreshing, whew!!!!

**Various Words:**

Provision for the vision

Do me a favor and don't quit.

Whatever He says to do, do it.

There is the sound of the abundance of rain!! I hear the Lord saying, "this work, this people, this church is on the threshold of a time of blessing, increase, expansion, fulfillment, enlarging your coast, expanding your influence.

Don't take no for an answer!

If God said it, it is absolutely true!

God has said it and it cannot be otherwise!

Suddenly!! In the days and months ahead, we will be experiencing some suddenlies, personally and corporately!

We are in the right place at the right time and in the right season.

Don't even think about the past, don't even look back, but declare and press for those things that are ahead.

Where things that are impossible, they become possible!

For I have begun a good work in you, and I will bring it to full completion.

There shall be no lack. You seek first the kingdom of God and His righteousness and everything will be added to you.

The power of God and the Word of God together will change families, will change situations, will change the very way, the very way things look, the way things sound.

This is the time, you are the people, this is the place.

The increase of God upon this ministry.

New doors, great doors, effectual doors

We are well able to possess the land.

Miracles, signs & wonders, extraordinary and unusual

The blessing of God is upon this people and in this place.

Get ready. This place is about to explode

An explosion of growth taking place in this church!! This is bigger than you think! Get ready b/c you are going to see an explosion.

There is an explosion coming to this church and it shall come to pass

This work shall succeed and go forth and the Head of the Church shall see to it.

This church is not just raised up for just Alma. It's going to be one of those places that may be in a town of 5 or 6 thousand and people will say, how can they have a church that big in such a small place?

You're going to accomplish in 2 years what would normally take them twenty

You'll be in a bigger building, you'll be packed out. It will be hard to get a seat in this place.

### **Notes from Marty Blackwelder's message on November 13, 2011**

Day of Pentecost launched a group of ordinary people into extra-ordinary lives

You stand, as a church, and as a people on the threshold and at the door of a new time, a new season, a new day, a new way of doing things

There has been tremendous diligence and preparation made to laying a solid foundation for this work and ministry throughout the years

Now it is time for the expansion of it

God has strategically placed and prepared and equipped every person in this place, and He has brought you to this place for such a time as this

God has endeavored to gather all the pieces of the puzzle, and He is fitting them together for this season

What Brother Marty ministered he said was profoundly spoken to his spirit for this morning (11-13-11)

I Chronicles 4 "Prayer of Jabez"

- It seemed very evident to Brother Marty that it would be God's divine intention in this time and in this season for this church - to bless us indeed, to enlarge our coasts, to expand our influence, to grant us favor, to make us more effective, and for His hand or His spirit to rest mightily upon this place and upon this people
- With every divine intention, there comes a human response

- When it comes to supernatural, there are always two elements involved: God's divine intention – my human effort and response to that divine intention, bringing that divine purpose into fruition
- Hook up in the local church
- You never know what opportunities that you will miss if you are out of your place

#### Principles of faith:

- Whatever He says to us, do it. Even if it defies conventional wisdom or logic or your own personal preference – even if it's outside our own comfort zone
- Pertains personally and corporately
- Sometimes God is endeavoring to launch us into another phase of our life, our ministry, another place of blessing, and b/c that step seems somewhat obscure or uncertain from a natural perspective, we hesitate to take that step – we want to see naturally and God wants us to simply trust. If we will, then the blessing's on the other side of that obedience and those steps of faith
- You have to do what you are commissioned to do, even if it's outside your comfort zone, and then the blessing comes with it
- Sometimes it will become uncomfortable until you have to move and obey, but just be willing to do what He says
- You can't always judge the thing by their exterior. God knows things we don't know!
- Stay in the "we can" club, like Joshua and Caleb. Miracles come in cans.
- 2 Kings 3 – dig ditches that will be full with no wind and no rain
- Things don't always come the way we think they are going to come
- Sometimes you have to go ahead and take your steps of obedience – then God says, stand back and just watch me work!
- Move in the direction that God is leading and the blessing will come
- You must believe that God can take what you have and bless it, and with that blessing it becomes more than enough and get the job done.

#### (2 Kings 4)

- Sometimes we look at what we have, and if it's not enough, we shrink back. But if we set it in motion – however great or small it is – just be faithful with it
- John 6 - fishes and loaves
- Take what you have in your resources, your time and set it in motion – sow it into this body
- Isaiah 41 – God can defy all the odds

#### Maintain your expectation

- Faith is looking, faith is watching, faith is listening!
- 1 Kings 18
- There is the sound of the abundance of rain!!
- I hear the Lord saying, "This work, this people, this church is on the threshold of a time of blessing, increase, expansion, fulfillment, enlarging your coasts, expanding your influence."

- When God speaks something to us (when we know He has spoken), we need to contend for it. We should move toward it in faith, we should saturate that thing in prayer, we need to stay in the presence of God until we see it come into fruition. And we cannot take no for an answer
- Sometimes when that word of the Lord comes and you are in a season of transition and change, it may appear as if nothing is happening
- Thank God there is always the seventh time!!!!
- You've been standing for some things for a while – DON'T TAKE NO FOR AN ANSWER! THERE'S ALWAYS THE SEVENTH TIME! Don't you give up! If God said it, it is absolutely true!
- God has said it and it cannot be otherwise!
- Suddenly!! In the days and months ahead, we will be experiencing some suddenlies, personally! And corporately!
- We have to do whatever God told us to do.
- We are in the right place at the right time and in the right season. Get ready!
